St.Valentine's Day

St. Valentine's Day comes on February 14. It is widely celebrated among people of all ages. Valentine's Day is a time when people in love express their feelings to those whom they love or adore. Some people give greeting cards, flowers, chocolates, perfumes or jewelry to their admirers or partners while others take their loved ones for a romantic dinner at a restaurant or even propose to get married. Valentine's Day cards are the most popular gifts. They can be ready-made or hand-made. Also Valentine's cards can be pink or red-coloured and some of them can be heart-shaped. Some valentines are very fancy; they are decorated with ribbons, paper lace and images of cupids. A card can be different; it can be sentimental with love poetry, friendly or satirical.

Good-bye winter !

Winter

by Dorothy Aldis

The street cars are
Like frosted cakes --
All covered up
With cold snowflakes.

The horses' hoofs
Scrunch on the street;
Their eyelashes
Are white with sleet.

And everywhere
The people go --
With faces tickled
By the snow.

My favourite season!

Winter is one of the best seasons of the year. The weather is fine. I like it very much because it is so beautiful in winter. The trees, houses and street are white with snow. I can skate, ski and sledge a lot. We usually play snowballs and make a snowman.

I like winter because of the winter holidays and the New Year's Day and Christmas too. We have New Year's parties at school and at home. Santa Claus (we call him Father Frost) gives us presents. Some children don't believe in Father Frost but I believe.
